

**Product Overview:**

This directional microphone is our most popular microphone with Listen users. It secures over the speaker’s ears and wraps around the back of the neck. It has great-audio quality, is comfortable to wear and is good for extended use.

**Highlights:**

- Use directly with ListenTALK LK-1 Transceiver
- Directional microphone
- Outstanding audio performance
- Ideal for use when unobtrusive placement and high performance are critical
- Designed to cancel ambient noise
- Fits securely over ears and around the back of the neck, under hair

**Includes:**

One (1) LA-462 Behind-the-Head Microphone (TRRS)
