

Avalon Flow V

Avalon creates a pattern that flows along the walls, morphing and unfolding according to your point-of-view. This parametric hybrid absorber, tying high-performance absorption and diffusion, that creates the perfect wall-to-wall solution. Crafted in a selection of five different designs, that can be arranged to create countless personalized combinations. Avalon Flow is available in two tones of wood finish, and a selection of acoustic fabrics, can be easily mounted to any surface.

Features
