

Myriad Panelling Broad AE - Absorber

More than a simple acoustic panel, Myriad AE is a design tool that thrives on creativity and imagination. Myriad AE has a lean, elegant shape and comes with a fabric-covered front, and is easily glued to surfaces, and is supplied with an installation template to simplify installing panels with perfect spacing. Built for high-frequency reverberation control, Myriad AE is made of a recycled PET core that rates as a Class 1 material according to the OEKO-TEX® Standard 100. It is available in different fabric finishes, providing multiple colour options and combinations to take the acoustic design possibilities even further.

Features

Type:
Absorber

Absorption Range:
400 Hz to 8000 Hz

Acoustic Class:
B | $(\alpha_w) = 0,85$

Recommended for

- Office
- Meeting room
- Conference room
- Open workspace
- Coffee shop
