

Orion Mobile Wall Kit - Bass Trap Corner 2.0

Description

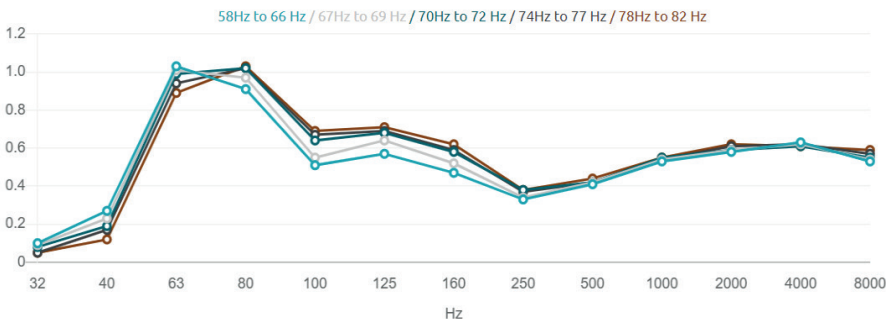

Artnovion's new mobile bass trap kit is the perfect accessory to tame your studio's low end issues without having to screw or glue anything to your room. A solution for both dual-purpose spaces or dedicated home and Pro studios.

Installing our tuneable membrane bass traps on this freestanding support allows you to place the products exactly where you need them, when you need them.

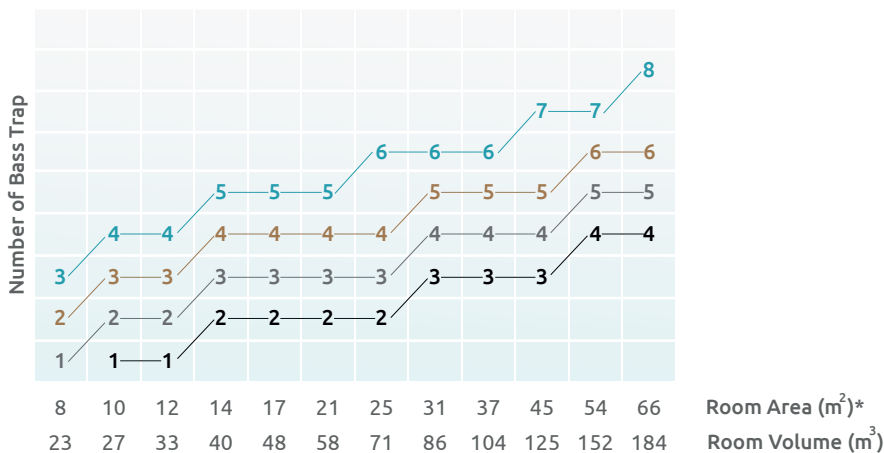

Artnovion Patent P. (Acoustic panel with Tube Fixing System)
